

Colibrì GBC offers an Internship to Italian students in the field of Erasmus Plus Project.

Hosting company

Colibrì is a young and vibrant start-up based in Berlin. Colibrì is a platform that connects those who have a broader approach to business that goes beyond national borders. We give Italian businesses the opportunity to access all fundamental tools to tap and integrate in a foreign market, starting with the German one, with a long-term perspective.

The areas in which we operate are Food & Beverage, Fashion and Design. Our aim is to seize the potential of local Italian identities by positioning them on the global market and by adapting them to the habits and tastes of the new environment.

We promote the uniqueness and authenticity of Italian products through appropriate channels and we guarantee the right market placement with the help of business professionals. We spread Italian lifestyle, because behind each product lies an entire culture, a story to tell, a philosophy, an emotion. We provide our partners with shared resources by enhancing synergies and reducing costs, aiming at a long lasting win-win situation.
